Cllr Haslam reported that he had found Highways to be quite responsive to such requests. A parishioner brought up the issue of speeding on Garlands Road, a motorcycle in particular. Cllr Haslam reiterated the response of the police, which advised individuals, upon seeing an incident, to phone 101 to report it, at which point it would be logged as an incident and then the police could investigate. A parishioner thanked the council for helping to get the verges along A48 cut back last week, but stated that Church Lane and Knapp Lane were now both very overgrown and scratching wider vehicles. <u>ACTION:</u> Clerk to contact Highways to make them aware and request action.
