# JULY 2024 MEETING PACK

This month's updates in **bold.** 

## Village

## a) To note any updates on village/parish improvement matters

Flood mitigation in the	Ongoing; Cllr McFarling is liaising with Severn Trent and GCC and aims to
parish	provide updates monthly.
	Nov 2023: Cllr Chris McFarling advised that the pipework on Swan Hill has
	been checked, with no issues detected.
Public Rights of Way in	July 2023: Alec Davis kindly <u>produced v17 of the status report for PROWs in</u>
the parish	Alvington & some of Woolaston.
	November 2023: Jeff Wheeler advises of progress on the following issues:
	FAL14 Responded to planning application P1206/23/LBC on 6th October, stating that I offered no objection as there was seemingly no effect on the Public Footpath.
	FAL17 Replied to Network Rail on 10th October regards proposals for extinguishing or diverting this dead-end Public Footpath to enable the closure of the pedestrian level crossing. The best solution is to divert the route across the existing farm track crossing and then the issues with a fence and vegetation blocking as well as broken stiles could be overcome.  Enquiry Refs – 11418041 (Ongoing) / 11417996 (Ongoing)  Partial Inspection – 200 metres
	FAL18 Replied to Network Rail on 10th October regards proposals for extinguishing a section of this dead-end Public Footpath to enable the closure of the pedestrian level crossing. The best solution appears to be to extinguish the section between the Mickla Bridge and the pedestrian crossing and divert via FWO115 and FWO117 and then divert / extend FWO117 along the flood defence to join with FAL18 on the eastern side of the railway. Enquiry Ref – 11410847 (Ongoing)
	June 24 - Clerk has emailed the Clerks for Aylburton and Lydney regarding the footpath along the Severn. Also — checked the contact details and process for registering potentially lost PROW. An online representation of the definitive map of public rights of way can be found online at <a href="https://gcc.dynamicmaps.co.uk/MapThatPublic/Default.aspx">https://gcc.dynamicmaps.co.uk/MapThatPublic/Default.aspx</a> Further questions and advice from Jack Capon or his colleagues at <a href="modificationorders@gloucestershire.gov.uk">modificationorders@gloucestershire.gov.uk</a> Lydney Town Clerk has confirmed that Lydney Town Council is not currently
Community Alasta	working on this.
Community Alerts	Report of a theft of bicycles from a garage in Church Lane over the Easter
	period.

	16/2/23: Nathan Choat emailed and said: "I am aware of the condition of
	the road surface and have asked for a further safety inspection to ensure
	the area meets the safety manual basic standard, following this I have
	asked for our structural maintenance team visit site rescore and estimate
	the cost to resurface this section for refurbishment."
	Chased late May 2023 – MH, Nathan Choat replied: "Hi Meg, I do have a
	cost for the works for resurfacing. Currently I don't have a firm date for
	progress. When I do I'll let you and Chris know."
